Professor, the Institute of Foreign Affairs and National Security-IFANS 国立外交院外交安保研究所教授

“Impact of China’s Rise on Korea: emphasis on the “middle power diplomacy”

「中国の台頭による韓国への影響」

Aim at:

What is the significance of China’s rise for Northeast and Southeast Asia and the broader Asia-Pacific region, and what are the consequences for relations within the region? Ultimately, how are we to understand China’s rise? How could we build a new order and international relationship of peace and prosperity for East Asia? This forum will encourage vigorous discussion on these topics among invited experts and will be organized in two sections, one focused on Northeast Asia and the second on Southeast Asia.

中国の台頭は北東アジア・東南アジアにとって如何なる意味を持つのか? 中国の台頭は、周辺諸国との関係をどのように変化させ、東アジアやアジア太平洋地域の新しい秩序の構築に如何なる影響を及ぼすのか? そもそも中国の台頭をどう捉えるべきなのか平和と繁栄の東アジアの秩序と国際関係はどのようなものであり、どのように構築していくことができるのか? 本フォーラムは北アジアと東南アジアとの二部に分けて各国専門家を招いて活発な議論を行いたい。

《Session 2》: South East Asia (in English) 東南アジア(英語)
