

Architect (Ar) Armando N. ALLÍ, *apec ar*

Architect (Ar) Armando N. ALLÍ (pronounced **al - YEEH**) is a product of the University of the Philippines (UP) College of Architecture (1982) and of the UP School of Urban and Regional Planning (1994). He has had more than thirty (30) years of progressively responsible/ diversified experience in the professional practice of the **architectural** and **allied design** professions, particularly in the fields of **land use, site, physical, transportation, and environmental planning, environmental design, general consulting, professional practice regulation, construction arbitration and mediation, volunteer government service, architecture advocacy, the project management of consulting services** and the **crafting of national laws and regulations that concern the management and use of the built environment.**

Ar Alli is a Partner of **T.A.M. Planners Company** (his group practice office) over the last seventeen (17) years, for which much of the planning work was undertaken for institutional clients and for various branches of the Philippine Government. He has also undertaken various types of environmental planning and design work in a private consulting capacity under **ADNAapec NDCS** (his individual practice office), for both public and private projects, and for local and international clientele, over the last twenty (20) years.

Ar Alli has been a member of the Philippine Institute of Environmental Planners (**PIEP**) for nineteen (19) years and of the United Architects of the Philippines (**UAP**) for over thirty (30) years, where he served both organizations in various positions. In 2008, he became the UAP's 27th Asia-Pacific Economic Cooperation (**APEC**) **Architect.**
