

The 5th Asia Future Conference

Announcement of AFC Special Subsidy

For scholars from: Indonesia, Thailand, Vietnam, and Taiwan

The AFC Special Subsidies are made possible through special donations.

This is a separate application process from the AFC paper submission and AFC Scholarship application. While you will submit your abstract/paper and apply for the participation through AFC website as usual, you need to apply separately for this AFC Special Subsidy. The selection will be made separately. If you are awarded for this subsidy, you will not be awarded the AFC Scholarship. Qualifications, quality of paper, good standing in own home institution and the necessity to receive the subsidy will be considered in the selection.

DESCRIPTION:

The AFC Special Subsidy will waive both registration and accommodation fees (shared room) and the recipients will receive \$300 in cash at the conference venue to partially cover travel cost.
