

1. **NOT MORE THAN 10 PAGES**
2. **Graphs and tables require titles and numbers.**
3. **Citation require numbering on the upper right, summarized at the end of the paper.**
4. **Other rules specifics to their field will not be specified here as formatting standard.**

Author full name<sup>1</sup>, Hanako Atsumi<sup>2</sup>, Tairo Atsumi<sup>3</sup>

An abstract and keywords should be included on the title page. The abstract must not exceed 200 words and must precis the paper giving clear conclusions. Keywords must be carefully selected to facilitate reader's search.

well-written introduction will help to achieve this. Simple language, short sentences and a good use of headings all help to communicate the information more effectively. Discursive treatment of the subject matter is discouraged Figures should be used to aid the clarity of the paper. The reader should be carefully guided through the paper. Always think about your reader.

Discussion manuscripts should follow the requirement of paper manuscripts except that they do not have abstracts, keywords, introductions, or conclusions. They must be submitted within 6 months after the publication date of the paper.

Table 1. Type Table Name Here.

| Column Header Goes Here | Column Header Goes Here |
|-------------------------|-------------------------|
| Row Name Goes Here      | x                       |
| Row Name Goes Here      | x                       |
| Row Name Goes Here      | x                       |
| Row Name Goes Here      | x                       |

Paper manuscripts should be written and arranged in a style that is succinct easily followed. An informative but short title, a concise abstract with keywords, and a well-written introduction will help to achieve this. Simple language, short sentences and a good use of headings all help to communicate the information more effectively. Discursive treatment of the subject matter is discouraged Figures should be used to aid the clarity of the paper. The reader should be carefully guided through the paper. Always think about your reader.
